### COMMITTEE FOR CITIZEN INVOLVEMENT

#### 1. Glenwood Citizens Advisory Committee Appointments -

Ten Citizens have applied for the four remaining positions on the Citizens Advisory Committee for the Glenwood Refinement Plan Update Project.

During the November 18, 2008 work session, the CCI appointed fifteen members to the CAC. At that time, the CCI also directed staff to conduct focused recruitment to fill the remaining four positions on the CAC in the categories of affordable housing advocate, Glenwood employee and lender/realtor.

Following the November 18, 2009 work session, the Register Guard published an article November 27, 2008 regarding the status of the citizen Advisory Committee. In addition, Staff contacted affordable housing providers who have developed property in Springfield to inform them of the vacant affordable housing advocate position on the committee. Staff also contacted citizens who had previously expressed interest in the committee but had not submitted applications.
